The dealer wants over \$2000 to replace my (2) catalytic converters: Audi a6 Avant Quattro 2.8L 1999, 88,000 miles. They sell the converters for like \$800 a piece. The Internet tells me there are all kinds of replacements out there some for less than \$100 each. I have two concerns: 1. How difficult are these to replace. It looks like the whole exhaust is one piece.
