Encyclopedia Of Ancient Asian Civilizations

The history of slavery spans many cultures, nationalities, and religions from ancient times to the present day. However, the social, economic, and legal positions of slaves have differed vastly in different systems of slavery in different times and places. Slavery occurs relatively rarely among hunter-gatherer populations because it develops under conditions of social stratification.

An Encyclopedia of World History

Neoclassical buildings can be divided into three main types. A temple style building features a design based on an ancient temple, while a Palladian building is based on Palladio's style of villa construction (see Renaissance Architecture). The third type is the classical block building, described later in this section.. Temple style buildings were uncommon during the Renaissance; architects of ...
