Summary and reviews of Freedom (TM) by Daniel Suarez

Freedom™ is the greatest ever liberal utopian fantasy featuring autonomous killer motorcycles. Daniel Suarez's sequel to his popular Daemon, the story of a deeply buried computer program that slowly takes over the world, Freedom™ expands on some of the original book's ideas of how using computer networks as a model for rebuilding society could work, and its vision of a program that ...

Daniel Suarez: Freedom™ - AUX

Last year, Daniel Suarez's "Daemon" left us on one heck of a cliffhanger. Now, "Freedom (TM)" picks up that cliffhanger, resolves it and delves even further into a scary but all too possible near future in which a computer bot can seemingly take over the world. In terms of story and characters, "Freedom (TM)" picks up right where "Daemon" left off.

Review: "Freedom (TM)" by Daniel Suarez | The Dragon Page

I just read FreedomTM the second and latest book in the Daniel Suarez's Daemon series. It was a fun, thought-provoking read and I recommend it to any technologist or sci-fi junkie (it would also

make a nice Christmas gift for your favorite conspiracy theorist). This review will focus primarily on the technology of Freedom™, but I recommend that you...

Daniel Suarez. Daemon (Signet, 2009); Freedom(TM) (Dutton 2010). I should have known how good these books would be when I saw John Robb of Global Guerrillas listed among Suarez's advisers on the Acknowledgements page of Daemon. If you've been following Robb the last year or so, you know he writes a lot about resilient communities and darknets.

Daniel Suarez. Daemon and Freedom | P2P Foundation

Freedom™ by Daniel Suarez Freedom™ and Freedom™ - I have read both the audiobook and what they are calling the hardcover book* of Book 2 or the 2nd book in the Daemon books. A short while ago, I read Daniel Suarez's debut novel Daemon, which was a gripping technological thriller. It may not have been a terribly original idea, but it was well written if a little lacking in character building and it did seem to end a little abruptly.

Freedom by Daniel Suarez - TheBookbag.co.uk book review

I recently got to read Freedom, the new book by Daniel Suarez, and can highly recommend it. If you haven't read Suarez's earlier book Daemon then you should read that Daemon first. If you have read it, Suarez picks up where the first book ended. Daemon and Freedom are set in a future tantalizingly close to the present. In Daemon, a software tycoon and game designer named Matthew Sobol is dying.

Freedom (TM): Amazon.ca: Daniel Suarez: Books

As the second part to the equally thrilling Daemon, Freedom TM unravels this great ecologically and socio-critical story to a thought-provoking ending. Daniel Suarez created two books so thrilling and full of scifi machinery with its technical and military detail that it's hard to believe that everything he wrote is possible if not all but the world in which we live today.
