In the 1990s, as the literature on globalization rapidly grew (Held and McGrew 1998; Scholte 2000), its relationship to in/security received scant attention (Clark 1997; Leander 2001).

(PDF) Globalization and In/Security - ResearchGate

We must say that EU tackles better in a multilateral way nontraditional security threats like migration, climate change, economic issues, drugs and human trafficking. [8] Moreover globalization has considerable effect on the study of international security and how we perceive

threats.

Impact of Globalization on International Security

flict. Economic crises extend across state borders and are producing global hardships. All of these are aspects of what is commonly referred to as "globalization," and all have important security implications.¹ Most dangerously, a variety of threats have become global in scope and more serious in their effects as a result

Globalization's Security Implications

If security is seen as a particularistic quest of nation-states to provide for their own defense, then globalization also provides both challenges and opportunities. *10Security Dialogue* vol. 35, no. 1, March 2004. Scholars can directly measure economic globalization by observing various flows of economic transactions.

Globalization, Power, and Security - Commonwealth Institute

To sum up, the concept of globalization is frequently employed but seldom clearly defined. It means many different things for different people. Among the possible definitions we might include: 1) intensification of economic, political, social, and cultural relations across borders; 2) the historical period (or historical epoch) launched since

Regionalization, Globalization, and Nationalism

Globalization is an elimination of barriers to trade, communication, and cultural exchange. The theory behind globalization is that worldwide openness will promote the inherent wealth of all nations. While most Americans only began paying attention to globalization with the North American Free Trade Agreement (NAFTA) debates in 1993.
