Where To Download Hello Universe

Hello, Universe was an amazing book about the journey of friendships. 5 kids, each one with a different personality, somehow became friends. Virgil, the main character, was a shy and stubborn middle schoolboy. He got teased a lot by his family and his friends about being timid. He was scared to talk to his family, his friend, and his crush.

Hello, Universe - Wikipedia

Hello, Universe is carefully plotted and well-written. There's plenty of character development, humor, and insights about friendship and family and life. The story is absorbing, fun, and fast-moving. While nearly all the kid/parent relationships are dysfunctional, in this book that aided the story.
