Guide to importing a car in 2018 There has been a massive increase in the number of imported cars from the UK, due partly to the fall in Sterling because of Brexit, but also because of a fall in car sales across the Irish Sea. This fall in sales has meant that Irish car dealers have been able to buy cheap UK cars and sell them on the Irish market. Last year, those imports accounted for 93,454 ...

Focus2move| Irish cars market - Facts & Data 2020

Maybe that makes them a better bet than Europcar, with a better, more Irish attitude. I once paid virtually the same for two car seats for a week with Europcar, in Spain, as the upfront charge for renting the car for the week. Two seats with a sales value of Euros120, costing almots the same to rent, as a car with a sales value of Euros15,000.
