The Character Of Consciousness David

The Character of Consciousness David J. Chalmers Abstract. What is consciousness? How does the subjective character of consciousness fit into an objective world? How can there be a science of consciousness? This book develops a unified framework that addresses these questions and many others.

Character of Consciousness - Oxford Scholarship

If you're into stuff like this, you can read the full review. Magic Pixies: "The Character of Consciousness" by David J. Chalmers (Original Review, 2010-10-30) Is the assumption that brains are "just magic" - unlike kidneys or spleens or bones correct? This elevation of "consciousness" to an almost dualistic status is irritating beyond belief, and seems to stem (pardon the pun) from the fact ...

The Character of Consciousness by David J. Chalmers

In this sequel to the groundbreaking and controversial The Conscious Mind, David Chalmers develops a unified framework that addresses these questions and many others. Starting with a statement of the "hard problem" of consciousness, Chalmers builds a positive framework for the science of consciousness and a nonreductive vision of the metaphysics of consciousness.
