both in the Library and online. ... There are also book-related puzzles and games to play.

The Essentials Of Statistics A

The Essentials is one of the few actual textbooks I still use. The subject matter of research methods and statistics still requires it. This edition of Healey's book is a 'good' textbook because it is well written, follows a logical sequence within each chapter and from chapter to chapter, and students learn and build a foundation before they move onto the more difficult statistics.
