I have a used 99 S80 - just purchased 6/04 w/50k. Had to return it to selling dealer w/in 3 days due to Emissions System Service Required message coming on as well as check engine light. Dealer took to Volvo shop for repairs. Both lights have come on again intermittently and have turned themselves off. Seems to happen immediately after getting gas.

Volvo issued a recall of more than 17,000 of its 2008 and 2009 S80 models due to a problem with its engine cooling system. The engine cooling fan may stop working due to a problem in the programming software. Drivers may notice diminished performance of air conditioning and a significant increase in engine coolant temperature.
