Rutter proposes that a woman's psychological initiation is inextricably interwoven with her relation to her body and its wisdom. The author focuses on menstruation and childbirth in order to show how these events form the background in therapy for a psychological initiation. In amplifying women's initiation.

Mayan mythology explains the origin of menstruation as a punishment for violating the social rules governing marital alliance. The menstrual blood turns into snakes and insects used in black sorcery, before the Maya moon goddess is reborn from it. Where women's blood is considered sacred, the belief is that it should be ritually set apart.
